Remarks

Situated on a beautifully landscaped half acre with preserve views in the award-winning Founders Club golf community, this stately coastal home boasts abundant space and luxurious features that include exquisite design enhancements as well as functional upgrades. Built in 2019, the home blends modern scale and style with classical elements of West Indies architecture for an ideal balance of comfort and elegance. Within the last year, significant improvements to the already impressive interior include complete repainting, new light fixtures and fans throughout, new solar shades in the primary suite and living room, new carpet in guest rooms, and fabulous wallcoverings by Phillip Jeffries and Scalamandre in numerous spaces. Creating the immediate impression of an island estate, oversized double doors lead from the paver courtyard to an airy foyer and great room that features a soaring, 16 coffered ceiling and seamless access through full-height glass sliders to the elegant covered lanai beyond. Designed for an idyllic indoor-outdoor lifestyle and entertaining convenience, walls of glass open the home easily to more than 1,100 square feet of fully screened exterior living space that surrounds the heated pool and spa with distinctive spaces to lounge and dine.
